

# PLEASE SUPPORT YOUTH MINISTRY

During the month of September Foodland Give Aloha Program will match a portion of every dollar donated to St. Theresa Life Teen Youth Ministry (grades 9th to 12th). Your donations will give our youth, families and catechists an opportunity to attend retreats, leadership training and participate in community service projects that will enable them to live out our parish mission “Rooted in Jesus~We Love and Serve Others”. Here is how it works:

Go to any Foodland or Sack and Save in the State of Hawaii and donate \$1 to \$249 using code **78573** for St. Theresa Life Teen Youth Ministry with your Maika'i card (no purchase necessary). Don't have a Maika'i card? One can easily be issued to you at the register providing your phone number.

Write your name on the receipt, insert receipt in your parish envelope and drop your envelope in the weekend collection so that we may note it as a donation to your envelope number.

We are grateful to all our contributors last year. Here is summary of their generosity that has benefitted Youth Ministry.

Contributor Donations	\$7, 538.00

Total Donations:	\$9, 149.41
